### **How to get your art to printers.**

Take a good photo with a phone or camera. Send the file to the printer IE Costco Photo Center or put on a thumb drive and take that directly to the printer.

Scan your artwork at high res min. 300dpi I use 400 to 800 just to have a high resolution.

Learn How To:

Crop, adjust lightness-darkness, color. Photo editing programs like Photoshop, Photoshop Elements, Video editing and so much more.
